

## **WHAT NATIONAL FUEL RESOURCES HAS TO OFFER:**

As a non-utility natural gas marketer, National Fuel Resources (NFR) provides alternatives to traditional utility pricing by offering consumers pricing options to help them control and manage their energy needs.

NFR will offer Genesee County Chamber of Commerce (GCCC) members a variety of natural gas pricing strategies, including the fixed, flexible and hybrid pricing options tailored to meeting the specific needs of each customer.

Customers will receive a reduction on applicable sales and gross receipt taxes.

NFR will have available an array of consulting services that help customers analyze bills, develop procurement plans and evaluate contract terms and offers.

GCCC members will receive discounts and assistance with energy conservation programs.

## **WHO IS NATIONAL FUEL RESOURCES?**

A wholly-owned subsidiary of National Fuel Gas Company, a \$3.7 billion diversified energy corporation established in 1902.

NFR provides natural gas and other energy services to twenty thousand customers in New York and Pennsylvania.

NFR's goal is to develop long-term business relationships with clients seeking energy partners.

NFR is proud to be the Genesee County Chamber of Commerce's Preferred Supplier.
